

EEET - 221

Electronics II

Assignment: 1

Reading: Stanley (4th edition) Chapter 2

Homework problems from the text. **Do these:** Chapter 2, Problems 1, 3 and 5. **and hand in these:** all (same)

Homework due on: 20-Jan

Quiz covering **all** these problems: 22-Jan

Errors found in the text: problem 3 Ri is 10K, not 10 ohms.

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 2

Reading: Stanley (4th edition) Chapter 2

Homework problems from the text. **Do these:** Chapter 2, Problems 7,9,11,13,15,17,31,35,39,41. **and hand in these:** this subset: Chapter 2, Problems 7,9,13,15,35,39,41

Homework due on: 29-Jan

Quiz covering **all** these problems: 29-Jan

Special notes: Prob 31 help: The maximum output voltage of an op-amp is V_{sat} . Use ohm's law, the current and maximum output voltage to determine the maximum resistance. When V_{sat} is not given, use $\pm 13V$.

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 3

Reading: Stanley (4th edition) Chapter 3

Homework problems from the text. **Do these:** Chapter 3, Problems 1,3,5,7 and supplemental problems. **and hand in these:** all (same)

Homework due on: 03-Feb

Quiz covering **all** these problems: 05-Feb

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 4

Reading: Stanley (4th edition) Chapter 3

Homework problems from the text. **Do these:** Chapter 3, Problems 9,11,13,25,27. **and hand in these:** all (same)

Homework due on: 10-Feb

There will not be a quiz covering this homework.

All this material will be on the test.

Test on: 12-Feb

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 5

Reading: Stanley (4th edition) Chapter 4

Homework problems from the text. **Do these:** Chapter 4, Problems 1,3.
and hand in these: all (same)

Homework due on: 17-Feb

Quiz covering **all** these problems: 19-Feb

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 6

Reading: Stanley (4th edition) Chapter 4

Homework problems from the text. **Do these:** Chapter 4, Problems 5,7,9,11,13,15,17,19,21,23. **and hand in these:** this subset: Chapter 4, Problems 5,9,13,19,21,23

Homework due on: 24-Feb

Quiz covering **all** these problems: 26-Feb

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 7

Reading: Stanley (4th edition) Chapter 4

Homework problems from the text. **Do these:** Chapter 4, Problems 25,27,45,47,49. **and hand in these:** this subset: Chapter 4, Problems 25,45,47

Homework due on: 02-Mar

Quiz covering **all** these problems: 04-Mar

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 8

Reading: Stanley (4th edition) Chapter 4 and 5

Homework problems from the text. **Do these:** Chapter 4, Problems 29,31,33,35 and Chapter 5, Problems 1,3,5.

This homework will not be collected.

There will not be a quiz covering this homework.

All this material will be on the test.

Name: _____

Class times (ex. MW 4 pm):_____

Grade: _____ / 10

Homework is to be handed by the end of class, the day it is due.

Late homework: 1) is accepted until midnight on Thursday of the week the homework is due, 2) must be slid under my office door, 3) **MUST** include this coversheet and, 4) is penalized with a 3 point deduction. Homework submitted after Thursday will receive a 6 point deduction.

EEET - 221

Electronics II

Assignment: 9

Reading: Stanley (4th edition) Chapter 6

Homework problems from the text. **Do these:** Chapter 6: 1,3,5,7,9,11,13.
and hand in these: this subset: Chapter 6, Problems 3,7,9,11,13

Homework due on: 23-Mar

There will not be a quiz covering this homework.

All this material will be on the test.

Test on: 25-Mar

Special notes: References to figure 6-20 should be 6-26 and figure 6-21 should be figure 6-27.
